**Subject:** FW: ODO Audit

All make sure we are giving both facilities the attention that they need to get us through this upcoming audit. I would like to see detainee work crews in both buildings getting these floors and areas up to standard. We have done great on past audits to our last minute audit prep etc... What if we could simply clean these buildings consistently enough that we don't have to do it last minute? I would like to see you all email me with the items you have completed over the next four days. In addition follow the building cleaning scheduled you were given at the last Lieutenant's meeting. When you guys make this list a habit on a weekly basis we will notice the overall improvement in our facility cleanliness. I also want all of you to pay special attention to the utility closets at both buildings over the next few days. **DO NOT TAKE ITEMS OUT OF ONE CLOSET AND PLACE THEM IN ANOTHER.... WE HAVE INVENTORIES FOR A REASON. IF YOU SEE ISSUES IN THESE CLOSETS BRING THEM TO YOUR STAFFS ATTENTION.**

Get these places ready to shine. Let's blow this audit away.

**Subject:** Audit

Just a reminder our ODO audit begins Tuesday the 18<sup>th</sup>, that gives us four days to get this place clean. The auditors will be visiting both facilities so both need to be sparkling....use as many detainee crews as necessary just make sure somebody is watching them at all times.
